"With Pau, the variety of elements and scope of possibilities are almost infinite." *—Sandler Seating*

sandler seating

**When the minimum** requirement for lounge seating is maximum versatility, look no further than **Pau**, the latest super-custom system to join the Studio InClass series. Countless configurations are possible: The blocky but sleek upholstered units come with or without arms or backs, with legs of solid beech or steel tube. Arm options include beech in various finishes, powder-coated steel, matte stainless steel, and upholstery. The wood structure, reinforced with durable elastic belts, is padded in high-resilience polyurethane foam. An array of fabrics and leathers are available, or specify COM.
